We dedicate this book to you who have made it all possible. Without your help, these memories would have otherwise faded away and never been recorded. Special thanks go to the staff members who spent many long hours with the book, the Senior Class whose financial contribution enabled us to publish the largest book thus far, to the patrons, and to our advisor, Mr. Weber.

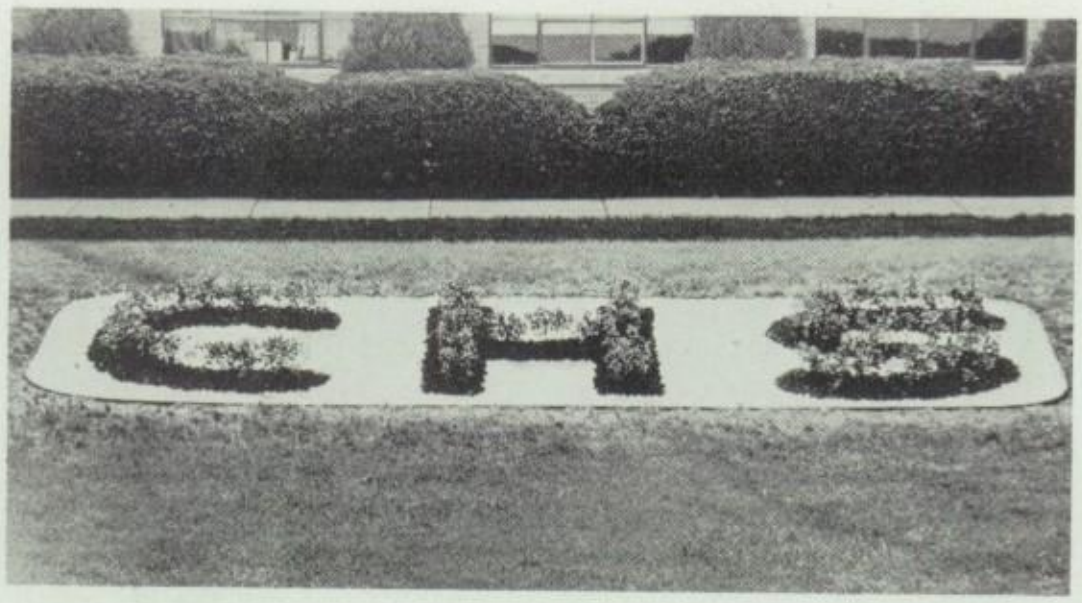
A FINAL FAREWELL

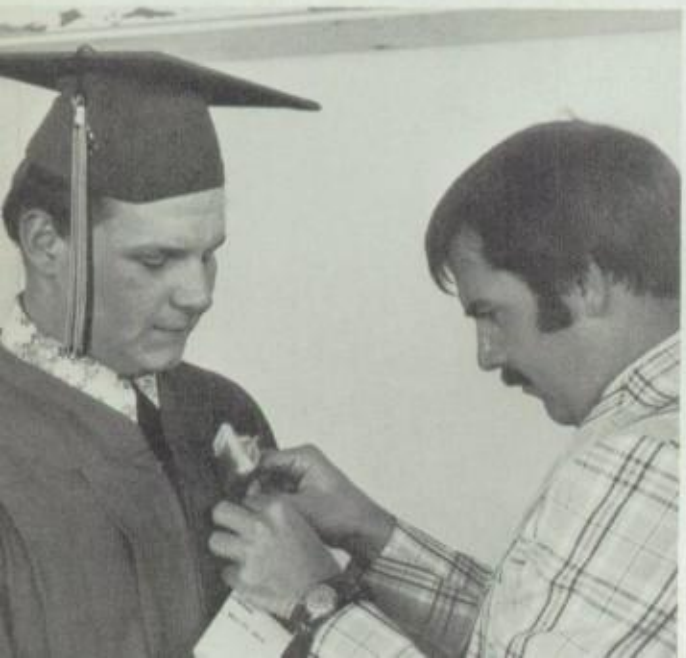


CLASS OF '76 PRESENTS THE LIVING MEMORIAL

"Climb Every Mountain"

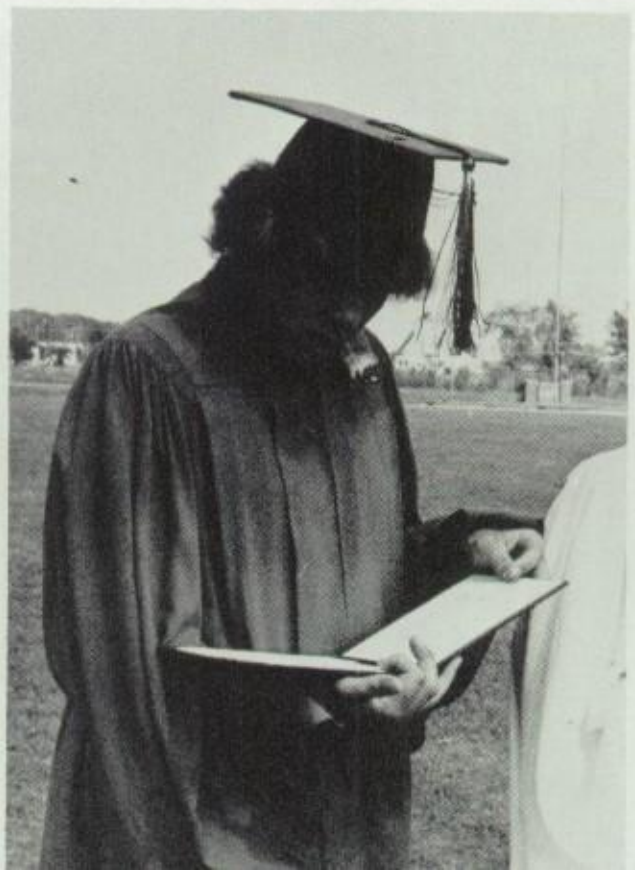
"The Impossible Dream"

"Down the Road"



FINAL THOUGHTS

I'm going to keep on going down the road, going to hold my head
up high
I'm going to follow where the pathway leads 'till it reaches to
the sky
I'm going to face each joy and sorrow that I meet along the
way
I'm going to travel out my future day by day
For I know the One who made this road is aware of where it goes
So I follow with my head held high, every by-way that He chose
And if I should meet another at the turning of the bend
Then the way will go much better with a friend
Oh I don't know what's ahead of me at the coming of the dawn
But I welcome each tomorrow, and I keep a moving on
For my cup is full of promise, a head full of dreams
And I know the sun is shining
Though the clouds may hide its beams
So I just keep going down the road, and I hold my head up high
And I follow where the pathway leads, 'till it reaches to the
sky
But I hope that where I travel, they will say of me
one day
That it somehow made a difference that I passe this way



Mike Pax, class president for four years, presents class advisors, Mr. Nick Wenning and Mr. Ron Mendenhall, with a token of appreciation for the past two years of unending dedication to the Class of '76.
